FOR IMMEDIATE RELEASE:

Righteous “Mutiny” in Ron Paul Campaign; Executive Committee for LAWYERS FOR RON PAUL Takes Over the R3VOLUTION

Santa Ana, CA, June 15, 2012:

The Executive Committee for LAWYERS FOR RON PAUL launches takeover of the campaign.

Refusing to be sold downstream for political or monetary gain, the REAL Ron Paul R3volution without reservation is *‘in it to win it!’* They are sending unbound delegates to Tampa under the protection of a federal lawsuit filed on Monday, June 11, 2012.

The Ron Paul Federal Delegates Case was filed at Ronald Reagan Courthouse, Santa Ana, California. Federal Judge David Carter, Ninth Federal Circuit presides over Case Number SACV 12- 00927.

This lawsuit serves to protect the civil rights of all delegates to the Republican National Convention, as well as all delegates in any federal, general, or special election regardless of party affiliation. Title 42 USC 1971-1974 protects all delegates and alternates from coercion, intimidation, and threats designed to further a political or social agenda.

The Executive Committee for LAWYERS FOR RON PAUL seeks to obtain a Federal Court order mandating ALL delegates are unbound and free to vote their conscience on the first round of voting at the Republican National Convention in Tampa, Florida.

LAWYERS FOR RON PAUL, a grassroots community of lawyers, paralegals, and concerned citizens are united to restore liberty to We the People and the Republic. All delegates and voters experiencing election fraud go to: <http://electionfraudremedy.com> for more information.
